WHAT COVERAGES ARE INCLUDED IN THE PROTECTION PLAN?

If you purchased a cell phone, laptop, tablet or connected device, this is a protection plan against **mechanical** and **electrical** failure as well as certain damages to your cell phone, laptop, a tablet or connected device.

If you purchased a furniture item, this is a protection plan against certain **damages** to your furniture item.

If you purchased a backpack, this is a protection plan against certain **damages** to your backpack.

This Protection Plan does not replace your manufacturer's warranty. It provides certain additional benefits during the term of your manufacturer's warranty. Sections "What are the limits of the coverage" and "What is not covered" of this summary contains the details of the limitations of this Protection Plan.

Under this Protection Plan, Allstate will, in Allstate's discretion, either:

- (i) Repair your item with new, rebuilt or non original manufacturer's parts,
- (ii) Replace your product with a comparable product, or
- (iii) Provide a cash or a gift card reflecting the replacement cost of your product.
